Peaceful Tomorrows is an organization founded by family members of those killed on September 11th who have united to turn our grief into action for peace. By developing and advocating nonviolent options and actions in the pursuit of justice, we hope to break the cycles of violence engendered by war and terrorism. Acknowledging our common experience with all people affected by violence throughout the world, we work to create a safer and more peaceful world for everyone. ...mission statement of *September 11th Families for Peaceful Tomorrows*
